DATE
Commissioner Elliot moved that the Commission President sign the Grant Adjust Notices. Commissioner Garcia seconded. President VanGilder concurred.

The Commission received a request for reimbursement from West Virginia Division of Justice and community Services to cover expenditures from August 1, 2017 to August 31, 2017 in the amount of $3,462.00 for 15-VA-094.
Commissioner Elliot moved that the Commission President sign the request for reimbursement. Commissioner Garcia seconded. President VanGilder concurred.

The Commission received a request for funding for the Honor Flight 2017 scheduled for October 7, 2017. Aaron Hawkins and Tanya A. Cayton an attorney with McNeer, Highland, and McMunn & Varner came to present to the Commission a request for their continued support for funding the Honor Flight whereby veterans from World War II, Korean War and the Vietnam War may take flight and tour of Washington DC and the Monuments. This is done for a thank you for that our veterans have done for our Country.

Commissioner Elliot moved that the Commission allocate $5,000.00 and that those funds be appropriated from the Coal Severance Fund. Commissioner Garcia seconded. President VanGilder concurred.
The Commissioners presented a Certificate Achievement Award to Nicholas E. Hayes for obtaining Eagle Scout Merit Badge for his Green Cemetery Service Project in which he removed a fallen cement wall which had crumbled over three decades ago. He reset and leveled fallen tombstones and installed a flagpole along with three extension lights for nighttime illumination to honor the veterans that are buried there and those that will be buried there in the future.

Commissioner Elliott stated that it is a difficult task to be awarded the Eagle Merit Badge. He continued that it takes a lot of work and a great deal of effort on the part of the scout. He also added for the record that his father also was awarded the Eagle Merit Badge.

Gerald Huffman came before the Commission to bring a petition to get the road repaired: Fetus Ridge Road. H stated that the State came and ground it up and told the residents that they would tar and chip the road next year. Mr. Huffman stated that this has been done by the Oil and Gas Industry vehicles running on the road. He also added that the road was supposedly bonded. He wanted to know what happened to those funds if that did occur. President VanGilder responded that the County owns no roads; however, he informed Mr. Huffman that we would take the petition and contact the Division of Highways and see if the road could be repaired prior to winter. Commissioner Elliott was also supportive of this measure and stated that the Commission would do all that it could to resolve this matter for those immediate residents.

Sheriff Riffle came before the Commission to present an update on his office and what is occurring with the narcotic problem in the County. The Sheriff stated of the forfeiture seizures that have been into the Sheriff’s budget along with the drugs that have been seized. The Sheriff also added that he now has a new certified list of eligible candidates to hire to replace those positions he currently has available. The Sheriff asked for the continuing of the ability to present the weapons at no charge to two of his deputies that are retiring at the end of this month. The Commission was supportive of that and gave their permission.

Columbus Carpenter stated that he was able to take the Honor Flight and a couple of years ago and he added that it was a Great Event for all veterans and that he hoped others would take advantage of this opportunity.

There being no further business to come before the County Commission, it is ordered that this Commission do now recess until, Wednesday, October 4th, 2017 at 10:00 a.m. for the next scheduled County Commission Meeting.

Ernest VanGilder, President
