Dear Mr. Crockett:

This letter is to support and endorse the efforts of Monongahela Valley Association of Health Centers, Inc. (MVA), to continue to provide primary health care to the residents of North Central West Virginia (all of Marion County and portions of Harrison, Monongalia, Taylor and Wetzel Counties).

I am especially pleased and encouraged by the effort of the MVA Board of Directors to provide health services to all residents in these communities.

Funding for the health center will assure access of primary health care services to the underserved, underinsured, and uninsured population in the service area of MVA. The Marion County Commission strongly supports the continuation of the grant funding of MVA and looks forward to continuing to work with MVA Board of Directors in carrying out its mission.

Sincerely,

Ernie VanGilder, President
Marion County Commission

Commissioner Elliott moved that the Commission President sign the Letter of Support. Commissioner Garcia seconded. President VanGilder concurred.
